

Dear Friends,

It's time to **Get on the Ball!** Satterfield & Pontikes Construction, Inc. and Nora's Home invite you, our friends, to join us for the 9th Annual Nora's Home Golf Classic on Friday, October 21, 2022 at the beautiful Wildcat Golf Club.

The proceeds from this annual tournament directly benefit the families served at Nora's Home, which is the only hospitality home serving the transplant community in the Texas Medical Center. The Adopt-A-Family program was established in order to offset the difference from the operating cost of the home and what our guests can afford to pay. Through this program, we are able to offer discounts of up to 100% based on each family's demonstrated need. Although Nora's Home requests that our guests pay a nightly rate of \$75.00, most are only able to afford a nominal amount over the duration of their stay as they pursue pre- or post-transplant care. We are proud to share that no guest has ever been turned away due to an inability to pay.

A simple swing can make a huge difference in the life of our guests and their families who travel from all over the country to receive lifesaving procedures. Sponsor pledges received by September 15, 2022, at the Silver Sponsor level and higher, will assure that your name or company logo will appear on the tournament banners. Last year, with your help we grew the tournament to two courses and plan to do so again this year!

The enclosed form outlines the available sponsorship opportunities and benefits. Please visit the tournament website at www.norashome.org/golf-classic or contact Nora's Home at 832-962-8065 or laurel@norashome.org with your questions.

We hope you will join us for this memorable day!
