

Dear Friends,

It's time to **Get on the Ball!** Satterfield & Pontikes Construction, Inc. and Nora's Home invite you to consider being a part of the 10th Annual Nora's Home Golf Classic benefitting the Adopt-A-Family Program on October 20, 2023, at Wildcat Gol Club. A simple swing can make a huge difference in the life of our guests and their families who travel from all over the country to receive lifesaving procedures.

We think highly of your business and would love for you to be a part of our raffle event. Donations received by October 6, 2023, will guarantee that your name or company logo will appear on the tournament materials, website and social media. Last year, over 250 golfers participated, and they were eager to have a chance to win an awesome raffle prize.

The proceeds from this annual tournament directly benefit the families served at Nora's Home, which is the only hospitality home serving the transplant community in the Texas Medical Center. The Adopt-A-Family program was established in order to offset the difference between the operating cost of the home and what our guests can afford to pay. Through this program, we are able to offer discounts of up to 95% based on each family's demonstrated need. Although Nora's Home requests that our guests pay a nightly rate of \$75.00, most are only able to afford a nominal amount over the duration of their stay as they pursue pre- or post-transplant care. We are proud to share that no guest has ever been turned away due to an inability to pay.

Please use the enclosed donation form to list the details and/or restrictions of your donation. For more information, visit the tournament website at norashome.org/golf or contact Nora's Home at 832-962-8065 or laurel@norashome.org.

We hope you will be a part of this great event!

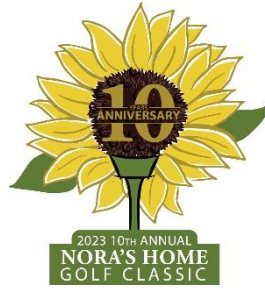

Natalie Lencioni
