

NORA'S HOME
for transplant patients and
their families

Annual **Impact** Report

2023

HAILEY

HOMETOWN	Eagle Pass, TX
TRANSPLANT	Kidney
CAREGIVER	Mom & Dad
AGE	12

I really loved being at Nora's Home! My favorite thing was the Chef of the Day. Volunteers came to the home, and we got to eat different foods they made. I had some yummy dinners. My favorite places at the home were the Family Room and the Creation Station. I had a spot for me where I played games and made shapes with kinetic sand. I also got to make lots of artwork and crafts with all of the supplies.

WHO WE ARE

In 1998,
Doctors
Osama and
Lillian Gaber
established
Nora's Gift
Foundation
in memory of

their daughter Nora, who was killed in a tragic automobile accident. Nora's legacy did not end with her death. Her donated organs helped several critically ill children and fueled the creation of Nora's Home, an enduring gift to those in need.

To launch the mission of Nora's Gift Foundation (dba Nora's Home) in Houston, an inaugural gala was held in 2011. Spring boarding off the success of the gala, a successful capital campaign secured the funds necessary to finally realize the vision of building a standalone hospitality home that serves any patient from the solid organ transplant centers in the Texas Medical Center. Nora's Home opened its doors with 16 family suites in 2013.

The home has proved an invaluable resource to transplant patients and their families and quickly gained popularity after opening, developing a waiting list for families to stay. This launched a second capital campaign and planning for a phase two expansion doubling the size of the home to 32 family suites, as it stands today.

Subsequent fundraisers consisting of our annual Nora's Home Gala, Golf Classic, and Welcome Home Annual Fund continue to provide the necessary funds in supporting the transplant families staying at the home by alleviating their financial burden through the Adopt-A-Family program. This ensures no guest is ever turned away due to inability to pay.

Like any good home, a strong foundation is a must. Nora's Home would simply not be possible without the support, commitment, and endorsement from our incredible Nora's Home Family.

Mission Statement

Nora's Home offers transplant patients and their families an affordable place to stay where they can find support and share experiences with others, in the comfort of a home-like environment.

Vision Statement

Be the preeminent life-center offering information, resources, lodging and emotional support for organ failure and transplant patients and their families by:

Providing a safe, welcoming and affordable place to stay in the Texas Medical Center

Creating a network for fellowship, interaction, resources and emotional support

Providing targeted education to the unique needs of the transplant community

Remaining financially sound and well-funded through philanthropic resources

Core Values essential to accomplishing our mission is always acting with:

Integrity

Compassion

Dedication

Professionalism

Embracing Diversity

GUEST PROFILE PARSON

Age	12
Hometown	Jasper, TX
Transplant Type	Double Lung (June 7, 2012)
Hospital	Texas Children's Hospital
Caregiver	Mom & Dad

Transplant Journey

Parson was born a healthy and sweet little baby. At two months old we noticed she had a cough and brought her to Texas Children's. We were told she was in respiratory distress, and she was put on oxygen. We were there for 12 days until we were able to return home. We spent just a few months at home before returning to the hospital. She was admitted again for the same issues and was in the PICU department; she was five months old at this time. We were told she needed to be put back on oxygen and would need new lungs. We were shocked! She stayed in the PICU until she was a year old and received her new lungs. We were grateful for the hospital staff, nurses and the doctors that helped us through such an emotional time. After her transplant, we found Nora's Home. It had just recently opened, and everything was brand new!

What would you say to someone who is considering becoming an organ donor?

We always talk about organ donation. I feel it is our responsibility as parents to tell Parson's story until she can. Organ donation is like the story of the Loaves and Fishes. When you are given something, you can always do more and provide more. Everyone should consider becoming a donor.

What do you enjoy most about Nora's Home?

Meeting all the people! It's been so wonderful to meet others who are on the same path as you and connect. It has also been great when we can talk with other families who have a child getting a transplant. We can compare notes, talk openly to each other and the kids can play. Sitting at the Phase 1 kitchen counter is where I have gotten to know so many people – and you do find your people here!

What is your wish for Parson?

Our prayer is that she is a happy and healthy child. Whatever she does in life doesn't matter, she was given this second chance, and we wish her a full life.

What would you say to the donors who support Nora's Home?

We wouldn't have found this place or have been able to stay here if it weren't for the donors. You provided healing for our daughter with all of the basic necessities that were needed – food, shelter, water, and safety. You gave us one less worry about having to figure out where we would stay. This place allows the caregiver to focus on healing our loved one. It also is a place for making connections where we get to meet people and gain invaluable knowledge. All of the pieces come together here at Nora's Home, we are a part of the puzzle just as YOU are, and it all fits just right.

About Parson

Favorite School Subject: Reading

Favorite Food: Spaghetti and Doritos

Favorite Book: The Berenstain Bears

Favorite Game: Sorry and Connect 4

Hobby: Building Legos

What has been your favorite space at Nora's Home?

I really like the Creation Station. It is so cool to be able to do arts and crafts while I'm here. I've also played a lot of games and watched movies with my new friends that are here too!

Head to our website to learn more about Parson and her transplant journey and watch the video with her family - norashome.org.

HOW YOU CAN HELP

Donate

Every donation, no matter the amount, made to Nora's Home helps guests and their families. Donations support the operations of the home from supplies needed to providing a night's stay through our Adopt-A-Family program. To make a one-time donation, or to join the monthly giving Sunflower Club, scan the QR code or visit norashome.org/donate. Donations are 100% tax deductible to the full extent of the law.

Volunteer

All of our volunteers are an essential part of our home! We have opportunities for individuals and families, as well as groups from your church and workplace that can fit your schedule and interests. Learn more about how you can be a part of Nora's Home by scanning the QR code or visit norashome.org/get-involved/volunteer/.

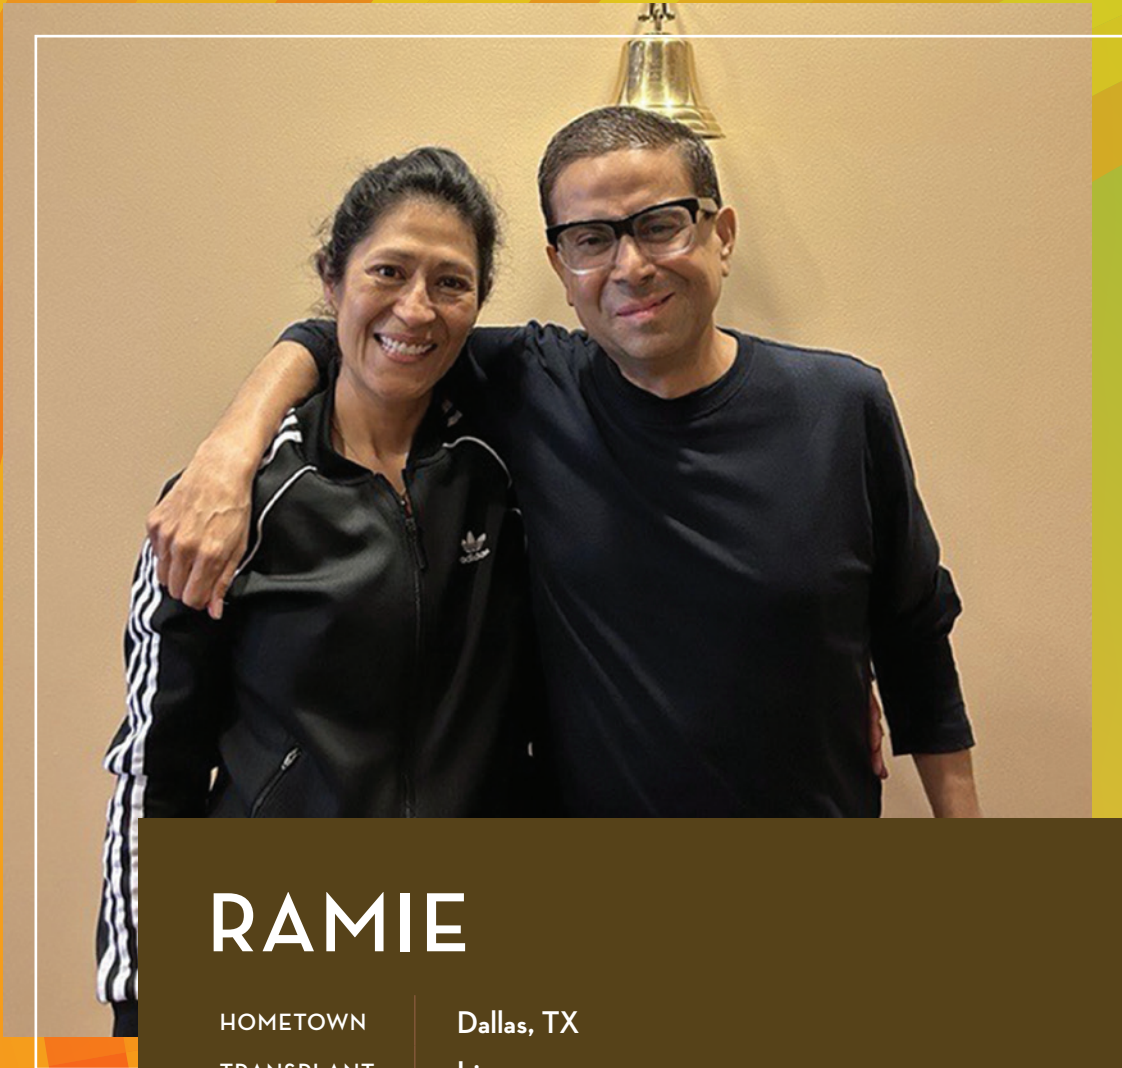

Supplies

Our home has 32 guest suites and requires many supplies to run smoothly. Pantry items, kitchen utensils, and cleaning supplies are just a few of the items you can help provide to the families we serve. Our wish list is available on our website and a link to our Amazon page. You can view the list at norashome.org/get-involved/wish-list/.

NORA'S HOME

for transplant patients and their families

RAMIE

HOMETOWN	Dallas, TX
TRANSPLANT	Liver
CAREGIVER	Sisters
AGE	49

Nora's Home is a magical place to me. The positivity and the healing feeling is unlike any place I have ever been in my life. Without Nora's Home I know my journey would have been very different. If you want to see a walking miracle, come to Nora's – there are many. I want the donors to know that although you may not see your gift in action, you are making all the difference. Your support helps so many people in various ways and it gives us the space to share our experiences together. I don't know what I would've done without Nora's Home.

NOTEWORTHY NEWS AND YEAR IN REVIEW

01 We celebrated Nora's Home's 10th Anniversary for the entire year of 2023!

02 Nora's Home kicked off Caregiver Corner to give our caregivers staying with us a much-needed break for an hour each month. Led by a volunteer caregiver, our guests gathered to talk, listen, share food and fellowship and be of comfort to one another as they care for their loved one on the transplant journey.

03 We kept the reservations coming in and reached a HUGE milestone of 60,000 nights stayed! Since opening, we have welcomed guests from 41 states and 7 countries.

04 Nora's Home was pleased to become a partner of The Houston Food Bank. With once-a-week deliveries, our guests are able to enjoy various pantry items and fresh produce to include in their weekly meal plans.

05 Our Wish was Granted! The Wish Upon a Star gala brought in over \$1.1 million as we celebrated among friends at Hermann Park McGovern Centennial Gardens in commemoration of The Gift of Life.

06 The exterior of Nora's Home got a facelift as Kappa Kappa Gamma Charitable Foundation of Houston gave us a grant to help install sliding doors at the front entry. It has made an AMAZING difference for our guests as they enter/exit the building with ease and provides an extra layer of security at nighttime.

07 FORE! The 10th Annual Golf Classic presented by Satterfield & Pontikes Construction, Inc. was one for the record books! With over \$191,000 raised, friends and golf pros came together to support the home on the links during our anniversary year.

08 Nora's Home was a stop on The Organ Trail's trip to Houston with Mark Scotch! He bicycled 1,500 miles to raise awareness of organ donation as both he and his wife are living kidney donors. We cheered him on alongside our friends at LifeGift, The Living Bank, Pre to Post Transplant Foundation, and Children's Transplant Initiative.

09 Volunteers provided a smile and snack to our guests as we received a total of 2,114 Sunflower Sacks! Sacks decorated with pictures, stickers and jokes are filled with shelf-stable items that our guests can bring with them to their clinic appointments so missing a meal is no big deal!

10 Nora's Home was grateful to be named as a beneficiary of the AAHOA (Asian American Hotel Owners Association) Southeast Texas Charity Golf Tournament. We were able to put funds toward the purchase of a brand-new commercial washing machine for our housekeeping staff. The home is proud to have AAHOA as part of the Nora's family.

SHARON

HOMETOWN	Pierre Part, LA
TRANSPLANT	Heart
CAREGIVER	Husband
AGE	59

When you walk into Nora's Home it is heartwarming, it actually feels like a warm hug. Everyone at the home both now & forever will be family to us. I thank the donors; they have provided a weight off our shoulders. Knowing that we had a place to stay after my heart transplant was a blessing. We live seven hours away and my husband was able to be with me the entire time. I now find myself saying, "find the blessings in every day because every day is a blessing!"
